

LIGHTOVATION LOUNGE

BOOTH #BL30017

The new Salon by KBIS pavilion at the Kitchen & Bath Industry Show will feature a lighting-focused section, anchored by programming from the largest residential lighting show in North America, Dallas Market Center's LIGHTOVATION.

The LIGHTOVATION LOUNGE will offer eight 20-minute presentations with two top experts in illumination, who will also host "office hours" to allow individual lighting questions to be answered one-on-one. An interactive virtual reality experience will also be available throughout the show.
